

## Continuing Education Opportunities for Ohio Certified Blasters

(approved for *non-employer* status)

Last updated December 8, 2015

The following list includes major conferences/courses offered in Ohio and nearby states, as well as the annual ISEE conference that is routinely attended by a number of Ohio certified blasters. It is not intended to be an all-inclusive list.

If you plan to attend a different conference/course, you must call the Division of Mineral Resources Mgmt. in New Philadelphia, at 330-339-2207, to determine its eligibility for meeting your continuing education requirements.

Note, also, that the next Ohio blasting conference will not be offered again until March 2017.
