FINDINGS, CONCLUSIONS

On August 23, 2016, John L. Garber Materials, Inc. filed with the Reclamation Commission a *Notice of Appeal* from Chief's Order 2653-IM, and from the Final Civil Penalty based upon that order. Accompanying Appellant's *Notice of Appeal* was a draft in the amount of \$20,250.00, as required by O.R.C. §1513.02(E)(3). These causes were assigned case numbers RC-16-004 (appeal of Chief's Order) and RC-16-005 (appeal of penalty).

On September 2, 2016, the Appellant filed a *Notice of Withdrawal of Appeal* with the Reclamation Commission. Pursuant to Ohio Administrative Code §1513-3-17, case numbers RC-16-004 and RC-16-005 are hereby **DISMISSED** without further action required by the Reclamation Commission.

It is the Commission's understanding that John L. Garber Materials will be seeking informal review before the Division Chief of Chief's Order 2653-IM and the related penalty. In accordance with the request of both the Appellant and the Division, the Commission will retain the pre-paid penalty of \$20,250.00 in the Commission's penalty fund, pending the outcome of the informal review and until the Commission receives further instructions as to whether, or how, these funds shall be transferred or released.
