DIVISION OF MINERAL RESOURCES  
MANAGEMENT,

Appellee.

Case No. RC-14-001

Review of Hydrology Complaint;  
Permit D-2290 (Oxford Mining)

## REPORT OF THE HEARING OFFICER

Appearances: John & Betty Smith, Appellants *pro se*; Kristina Tonn, Daniel Martin, Elizabeth Ewing, Assistant Attorneys General, Counsel for Appellee Division of Mineral Resources Management.

## FINDINGS, CONCLUSIONS

On January 27, 2014, Appellants John & Betty Smith filed with the Reclamation Commission a notice of appeal from the results of an informal conference, conducted by the Division with regards to a hydrology investigation, involving two springs located upon the Smiths' property. This cause was assigned case number RC-14-001.

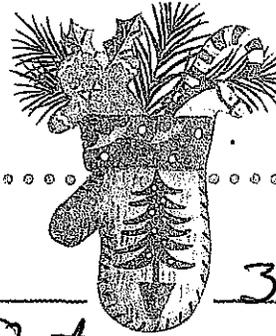

On March 5, 2014, Appellants filed a notice of their decision to withdraw this appeal. Pursuant to Ohio Administrative Code §1513-3-17, case number RC-14-001 is hereby **DISMISSED** without further action required by the Reclamation Commission.
