

## ADDENDUM NUMBER # 1

DATE OF ADDENDUM: MARCH 16, 2016

**DIVISION OF MINERAL RESOURCES MANAGEMENT  
OHIO DEPARTMENT OF NATURAL RESOURCES  
2045 MORSE ROAD  
BUILDING H-2  
COLUMBUS, OHIO 43229-6693**

To the Conditions and Specifications for:

**HOLMES AMD WETLAND  
TUSCARAWAS COUNTY, OHIO  
ODNR PROJECT NUMBER TS-Wr-36**

All Bidders are reminded to acknowledge receipt of the Addendum in the space provided on the Form of Proposal, when submitting a bid.

### **TO ALL BIDDERS:**

This Addendum, modifying the original contract conditions, specifications and drawings, shall be taken into account in preparing Proposals, and is hereby made part of the Contract documents.

**The following specifications shall be updated amending the contract:**

### **2702 - SPECIFIC WORK ALLOWANCE**

- A. **Description:** This work shall include an allowance for the Contractor to utilize for labor and materials associated with any unforeseen work items that arise during construction. Work covered by this pay item shall be subject to the following:
  - B. **Execution:** The Contractor shall be permitted, with the Chief's prior approval, to perform Work under this item subject to the following conditions.
    1. **Identification:** The Contractor may not utilize the allowance under this item without prior identification and notification to the Chief of the condition, labor, or materials that are necessary to complete the Work. To be eligible for payment under this item, the condition, labor, or materials cannot be addressed in any other specification within these Contract Documents.
    2. **Field Order:** Upon identification of the condition, labor, or materials that are eligible to be paid for under this item, and after the contractor's estimated cost for the work has been accepted by the Chief, a Field Order shall be issued authorizing use of the allowance as payment for the work.
    3. **Change Order:** If the allowance provided for this item is exceeded, any additional work under this item shall require an approved Field Order and Change Order authorizing any such increase in the Specific Work Allowance.
- C. **Schedule of Allowances:** Work performed under this specification shall conform to one or more of the following Allowances.
  1. **Allowance 1: Non-Specific Earthwork:** Work under this allowance shall include any unforeseen earthwork that may be needed to accomplish the overall goal of the project. This may include, but not be limited to, reclaiming areas outside the proposed limits of construction, additional grading needed to achieve positive drainage along the fringes of

the proposed grading, and rock excavation. A Field Order will be issued to initiate the work allowance and to direct the Contractor on how the work is to be completed.

2. **Allowance 2: Miscellaneous Pipework:** Work under this allowance shall include any unforeseen plumbing issues that necessitate additional pipe sizes, alternate materials or fittings. This work shall include, but not be limited to, excavation, pipe, and necessary couplings. A Field Order will be issued to initiate the work allowance and to direct the Contractor on how the work is to be completed.
  3. **Allowance 3: Miscellaneous Stone:** Work under this allowance shall include the application of stone, of any gradation from an ODOT approved supplier, for any unforeseen conditions requiring the use of stone. A Field Order will be issued to initiate the work allowance and to direct the Contractor on how the work is to be completed.
  4. **Allowance 4: Miscellaneous Gas Line Pipework:** Work under this allowance shall include any unforeseen gas line issues that would necessitate the protection of, or the movement/redirection of any existing gas pipeline. This work shall include, but not be limited to, excavation, pipe, necessary couplings, and rock. A Field Order will be issued to initiate the work allowance and to direct the Contractor on how the work is to be completed.
- D. **Measurement:** Measurement for this item shall be per the Field Order as agreed upon by the Chief and the Contractor. An allowance of \$5,000 has been set aside for this item.
- E. **Payment:** Payment for all of the work specified above shall be made based on the contract unit price set per each (EA) for Item 2702, "Specific Work Allowance." At the time of substantial completion any unused portion of this item will be deducted from the contract.

**THE BID OPENING DATE SHALL BE MARCH 22, 2016 AT 1:30 PM**

**THE REVISED BID SCHEDULE HAS BEEN ATTACHED.**

APPROVED:

Scot G. Hindall, P.E.

Division of Mineral Resources Management
